WHY SHOULD I CONSIDER A CAREER EDUCATION PROGRAM?

Think a high school degree opens the door to a good job? Think again!

By 2020, 65% of all jobs in the U.S. will require training beyond high school.

Career Education is the smart, affordable way to get the practical skills you need to compete in today’s fast-changing job market.

Our classes are taught by industry experts who have worked in their fields. You won’t just be sitting in lectures — you will be gaining hands-on experience.

Some career fields with the highest median annual salary five years after graduating from Career Education programs include:

- WATER TECHNOLOGY: $86,391
- ELECTRICAL SYSTEMS & POWER TRANSMISSION: $110,829
- AERONAUTICAL & AVIATION TECHNOLOGY: $76,187

Career Education is a smart investment in your future.
